Exemption notice from the competent authority to EASA, within

2 months

After the exemption is approved

Applicability: recap

CUE	FIGURE	DETAIL
Exemption notice from the competent authority to EASA, within	**2 months**	After the exemption is approved

Pressure datum for flight levels

1013.2 hPa

Terrain change that makes an area mountainous

900 m (3 000 ft)

Within 18.5 km (10.0 NM)

Distance over which the terrain change is measured

18.5 km (10.0 NM)

Definitions: recap

CUE	FIGURE	DETAIL
Pressure datum for flight levels	**1013.2 hPa**	
Terrain change that makes an area mountainous	**900 m (3 000 ft)**	Within 18.5 km (10.0 NM)
Distance over which the terrain change is measured	**18.5 km (10.0 NM)**
